2. Seminars

Exchange students enrolled at the Department of Economics LMU can also take part in seminars. **However, please be aware that due to limited capacity of seminars, every exchange students can only participate in one seminar and we can not guarantee that every exchange student will receive a spot in a seminar.**

While LMU students have to write an essay and give a presentation on the seminar topic, **exchange students participating in seminars only have to attend the seminar presentations and write an essay (approximately 30 000 characters, 4 weeks).** Exchange students receive 6 ECTS for a seminar at the Economics Department of LMU.

As seminars have limited capacity, it is necessary to apply for a seminar spot via our online tool, dates to be announced. You can name up to 6 preferences in the online tool - the more preferences you put down, the higher your chances are of getting a spot in a seminar. We strongly recommend that bachelor students only apply for bachelor seminars (and not for master seminars).
